Preparation

Before you arrive for your class, there are three things you must have:

Paperwork

In order to facilitate the progress of class, it is imperative that all students have their paperwork complete. You must have all of these forms completed **BEFORE** you come to your first class.

Please complete the following:

- Diver Information Sheet
- PADI Medical Statement: **Please go over the Medical Statement form as soon as possible.** All answers on the Medical Statement must be either "Yes" or "No" (not "Y" or "N") and if you answer "YES" to any of the questions then you **must** have your doctor sign-off that you are medically permitted to undertake scuba diving. The Physician's Statement is included with the Medical Statement form. The Instructor **does not** have authorization to waive the Physician's Statement requirement. **If you arrive for the class without medical clearance (if you checked "yes" on the medical form but did not see your physician), you will not be able to dive and will not receive a refund.** Please see our [cancellation policy](#) for more information.
- PADI Liability Release-General Training
